Faith and resilience

A message of faith, hope and perseverance.

I Believe is the twelve-song 2026 album from Joseph And The Kohanim, the international music project led by songwriter, vocalist and producer Joseph Opare. His music brings together soul, R&B, Afrobeat, highlife, jazz-funk and Latin rhythms.

The title track pairs a jazz-funk groove with encouragement for difficult seasons. Elsewhere, Thank You Lord draws on Afrobeat and highlife praise, Heavenly Lane brings danceable R&B with a reggae flavour, and Tears of Joy explores a Latin ballad feel.
